*It's the dips that do it!*

When humus, tsatsiki, carrot sour cream, or feta cheese dip arrives on the plate the meal is complete and improves it in terms of both flavour and texture, especially when the plate contains a quickly prepared everyday meal, or leftovers. With the right dip in the refrigerator it's easy to be a professional everyday chef!

- 30 superb tasty dips
- Perfect for the grill season!
- A good dip (or two!) ties the meal together
- The easy way to successful meals
- Quite simply – the dip dots the i!

## About the authors

Annika & Annika met at Häckelfjäll, a freelances premises on Södermalm in Stockholm. **Annika Huett** is an illustrator and **Annika Edestrand** is a writer. Both produce their own books and work with advertising- and magazine features. They also share a passionate interest in food and all the unexpected meetings in connection with it. One lovely day in autumn they suddenly started talking about dips.
