Hej fredag!

Liselotte Forslin
195x250, 128pp

The end of the working week, it's Friday at last and if you are lucky you can leave work a bit earlier too. You might have had some fancy plans for dinner back at lunchtime, but when you put the key in the door there is often too little time, not enough ideas nor enough energy. Nevertheless you would like something tastier than a standard sausage, a take-away pizza or a taco-kit.

If you can give this a little bit of your time, then Liselotte can provide the inspiration – and half the job is already done! In this book you will find lots of lovely dishes, everything from a nice bit of meat to a simple Friday pizza in a new style. With a bit of planning and a few short cuts, you will go far!

A really tasty Friday dinner without the stress and hassle – yes, that's right, it's perfectly feasible!
