Party Party!

Liselotte Forslin

195 x 250, 144 pp

There are many different sorts of party but according to Liselotte Forslin what counts is: you don't have to be many people to have a party, the food doesn't have to be complicated, fancy or expensive, and you only need to be yourself, to be jolly and to want to have a good time – and to dare to invite people!

- Smart recipes which will make you want to invite people more often!
- Lower the demands you make on yourself, bring things down to a manageable level
- Party food that is easy to prepare and fun to organise
- It can be simple and unpretentious when you have a party!
