Baking with potatoes

Potatis – jordens guld

Pernilla Rönnlid and Lena Djuphammar
200x255, 144p

The potato is fantastic with its long history and staying power, and its rich variety.

The potato is one of the most popular and common features on the dinner plate – of course it deserves its own book. Aside from masses of recipes and wonderful pictures, the book contains information on different varieties, tips for growing, history and facts. With around 60 recipes the book shows the versatility of the potato.

Among other features:

Potato salad • Gnocchi • Potato muffins • Spanish tortilla • Potato soup • Potato au gratin • Potato croquettes • Raw fries and much more ...

About the authors

Pernilla Rönnlid is a journalist and photographer. She has worked for several different publications and specialises in healthy eating.

Lena Djuphammar is a photographer and graphic designer. She has worked for H&M and Åhléns and has food photography as her speciality.
