The secret of a fantastic taco? The sauce and spices!

If you think it's time to liven up the Friday night taco, here is the book you have been waiting for. Fill the bread with pulled pork, fish or vegetables, top it with a tasty salsa and instantly you have a heavenly meal. This book asks a little more of you than to blend mince with a spice mixture, but in return you get a wonderful taste sensation. Make your own tacos and create a little magic at the dinner table!
