Vegansk street food

Lamyai Vozzi & Aidah Samphani
200x248, 128p

“Food is enjoyment and the taste is central to this. We are so happy to have the chance to share our passion and love for food.”

For their livelihood the sisters Lamyai and Aidah run the Cashew vegan kitchen in Lund where they offer tasty lunch bowls and truly fantastic vegan bakery products. In this book we can share their delicious, nutritious and inspiring dishes, all of them cooked from scratch and naturally free of gluten and white sugar. The inspiration comes from Thailand where they spent a lot of time growing up, but the food also has influences from the cuisine of other nations. This really is cooking for the times we live in – come and share the experience!

- Vegan street food with Asian flavours
- Naturally free of gluten and white sugar
