## Genvägar till vacker trädgård

Linda Schilén  
190x230, 144p

*Simple steps – from empty to a beautiful garden!*

**F**or those who have big dreams of a garden but – like most of us – have too little time and money. Shortcuts are then allowed to reach our goal. Smart plant choices, groundcover and helpful tips simplify the work and makes your dream garden possible!

In this book we learn to think like a professional gardener! From the planting stage to a harmonious and lovely garden.

- Planning, choice of material, equipment, timeplan ...
- Make use of what there is, think eco smart/ climate smart, helpful tips ...
- Choice of plants, plant combinations ...
- Smart cultivation, groundcover, prune correctly...
- Handling moss, snails, deer ...
- Planting in a pot ...
- Dealing with messy corners of the garden...

Richly illustrated with practical and inspiring photographs.
