Add colours to knits!

In Sanna Vatanen's second BÄÄ book we feast on lovely colours and genuine Finnish sheep wool. The book's knitting instructions are emphasized in small works such as socks, mittens, caps and neckbands. Also included are products that are to be completed by felting.

Knit coloured knits in a clear and modern Scandinavian style or finish off one-coloured knits with embroidery or cross-stitch. All works have clear instructions, complemented by Sami Repo's impressive photos.
