Collection of patterns

Virkat för män

Theodor Sundh

144x215, 122pp

If you have wanted to start up with crocheting but haven't really dared, then this is the right book for you. With step-by-step instructions and helpful photographs, Theodor Sundh has made it easy for anybody at all to embark upon fun crocheting projects.

Crocheting is perfect to busy yourself with while watching TV, sitting on the bus, or even at the pub! Use crocheting to make something you like, and dare to crochet in your own style.

This book contains about 30 projects. Here are scarves, hats, jumpers and many other exciting projects. For beginners, there is also a basic guide to crocheting techniques.

Crochet for men is a concise guide to the art of crocheting imaginative and original things for men and women.

About the author:

Theodor Sundh started crocheting when he was young after being inspired by the things his mother and grandmother had crocheted. He lives in Oxford, works in publishing and has his own crochet blog: www.crochetbloke.blogspot.com. *Crochet for men* is his first book.
