Get into the Christmas spirit by crocheting your own Christmas decorations!

Crocheted Nordic Christmas decorations captures all the best of Christmas and brings us the cheer, nostalgia and traditions of crocheted Christmas decorations. The book contains crochet patterns for classic Christmas decorations in modern versions and based on simple Nordic designs.

The book is filled with beautiful pictures of Christmas decorations on the Christmas tree, in the window, in the home – the decorations really come alive in the right environment.

Add to your Christmas decorations and give a new, personal touch to your home this Christmas.

All the techniques and stitches used in the book are demonstrated in video guides at www.kreadeluxe.dk, and together with the book offer a helping hand to learners and experienced crocheters.

About the authors

Hæklet Nordisk julepynt was written by the sisters **Heidi B. Johannesen** and **Pia H.H. Johannesen**. They own the company Krea Deluxe, which manufactures sustainable exclusive yarns and creates designer crochet and knitting patterns.
