Give festive occasions your own personal touch with pretty crocheted Easter decorations with origins in Nordic stylings of appealing designs, in a combination of traditional and contemporary elements which we all recognise as being in the spirit of Easter.

In the book we find lots of inspiration too, on how to decorate our Easter home, and ways in which the crocheted Easter decorations can become part of one's own family traditions.

All the techniques that are described in the book can be found as videoguides at www.kreadeluxe.com which are of great help when learning new skills both for beginners and those more seasoned in handicrafts.

About the author

Hæklet nordisk påskepynt is the work of the sisters **Heidi B. Johannesen** and **Pia H.H. Johannesen** – the women behind the Danish company *Krea Deluxe*, which produces exclusive yarns and knitting and crocheting patterns. They have also written the successful book *Hæklet nordisk julepynt*.
