Hats and warm garments

Ponchos and shawls

Jumpers and tops

Knitting school

Maintenance and washing instructions

Sticka till dig själv

Stina Tiselius

200x250, 128p

Knit for yourself is full of inspiration and instructions for jumpers, ponchos, hats, scarves, wrist warmers and other great stuff to spoil yourself with. There are items suitable to wear to work, for when you go to a party, when you're cold or when you just want to be.

This book is for people who like to knit. Here are patterns for beginners and professional knitters who appreciate the simple and relaxing activity of knitting. With *Knit for yourself* you can knit without having to worry about diagrams and complicated multiple colour patterns.

The patterns in the book are presented with attractive pictures and clear instructions as well as information on yarn, the size of knitting needles and more. Chapters on the basics of knitting are included.

Hats • Warm garments • Ponchos • Shawls • Jumpers • Tops • Bobbles and fringes • Knitting school

About the authors

Stina Tiselius has a passionate interest in most forms of handiwork and runs the blog *garnterapi.com*. She is a graphic designer and has earlier published *Sticka grytlappar* and *Sticka enkelt till barn*.
