Stickad vinterfröjd för baby

Sanna Mård Castman

170x220, 80 pp

With a feeling of vintage in a modern version, designer Sanna Mård Castman has created her collection of knitted baby clothes.

The book contains 15 patterns of socks, cardigans, bonnets, pantalettes and ponchos, all with the pretty little details that characterise Sanna's designs.

These are quite simply delightful winter clothes for your baby in finest organic wool.

About the author

Designer **Sanna Mård Castman** has a lot of experience of all aspects of knitting and pattern creation and has worked for all the large yarn suppliers in Sweden and the weeklies.

Sanna's speciality is designing for babies and young children and her personal style is often characterised by small pretty details. Her clothes feel modern with a touch of vintage.
