The day after tomorrow
February chill
Tansies
Boston ivy
Thank you

Muhkeat sukut

Lumi Karmitsa
210x255, 136 p

Lavish knitwear from thick yarn.

Lumi Karmitsa is among the most popular knitting designers in Finland and her two earlier books revolutionized stranded knit designing. In her latest book she approaches textured knitting techniques in the same unprejudiced way.

The socks in the book are lavish and statuesque, they have hefty braids and other textures, which are knitted with thick yarns. Splendid photos tempt you to grab your knitting needles and enjoy lovely warm socks.

About the author

Lumi Karmitsa is the author of the top popular books Wild mittens & Unruly woollen socks vol I and II. As a designer she characterises herself as a perfectionist, who likes to try new things, but does not let gimmicks get in the way of comfort. Lumi's knitting models can often be recognized by the humorous themes.
