Katarina Dock
210x260, 128p

Already hooked on crochet? This colourful book is for all crochet lovers who want to advance to the next level and get more creative. Be inspired to experiment with new shapes and colours, feel the magic and create unique pieces!

Picking up where books for beginners leave off, *Magical crochet* presents more advanced techniques and encourages readers to develop their talents. The book is divided into two sections – an inspirational section with photographs and an instructional one with text, sketches and diagrams. Each piece is accompanied by clear descriptions in standard format and internationally recognised diagrams.

Learn a variety of techniques to create luxurious accessories such as ponchos, shawls, bags, wrist warmers, flowers, necklaces, berets and more as the author shares her top crochet tips. Suitable for experienced crocheters of all ages.

About the author

Katarina Dock is a journalist and author who has worked as handicrafts editor for the Swedish magazine *Hemmets Journal*. She has previously published *Katarinas handarbete* (Katarina's handicrafts) and co-worked on the book *Sticka och skicka* (Knit away).
