*Create the feeling of a real Christmas with your own hands*

When the nights get darker and the autumn changes into winter, anticipation for Christmas starts and if you are a Christmas person, it is the best time of year. How nice it will be to gradually tune into the Christmas spirit, decorate your home, plan presents for your loved ones and prepare yourself for the celebration while enjoying what you do.

With the ideas and instructions by Miia Seppälä you make an unforgettable Christmas with your own hands. Decorations made of natural materials and paper, give the home the Christmas spirit of olden times. Cute little things and sweets and other delicacies you make also find their way into beautiful gift packets.

## About the author

Miia Seppälä, living in Ostrobothnia is the author of the book *Kaarnasydän ja sammalkranssi*, which sold over 25, 000 copies. Making things by hand and making the home beautiful is the dearest hobby of this mother of five children, and it also gives her ideas for the Christmas handicrafts.
