Pirjo Iivonen

210x255, 144p

Create fancy socks from your wool rests!

This book is all about colour combinations: how can you use up your wool rests to create an eye-pleasing pair of socks? Embellish them with stripes, try colourwork and mosaic technique – it's easier than it looks – or structural patterns.

Iivonen also shares her professional tips on how to add a new ball of yarn and how to weave in the ends. Many patterns are adaptable for any yarn weight you might have handy.

About the author

Pirjo Iivonen is known for her intricate designs and her wide-ranging technical skills. This is her fourth knitting book.
