The basics of knitting for guys who want to knit

Knitting is for everybody, whatever age or gender. Take a minute to learn the simple basic stitches, and you're free to knit whatever you fancy. With this book, any guy can learn to knit. Try your hand with a scarf or a beanie and read other guys' stories about how they stumbled upon knitting and decided to stick with it.

About the author

Markus Haakana is a Finnish copywriter who happened to try knitting seven years ago. Now he makes all knitwear for his family of four. His mission is to encourage all men and boys to start knitting – because it's such a relaxing and rewarding thing to do, whenever you have a minute.
