

WILD MITTENS & UNRULY WOOLLEN SOCKS 2

Villit vanttuut j vallattomat villasukat 2

Lumi Karmitsa

210 x 255

The super popular knitting book Wild Mittens & Unruly Woollen Socks continues in the second book with the same name, where expressive animal figures and other jovial picture themes appear again in a familiar way in the sock and mitten patterns.

Contents

Foreword

How to do it – a short review to the book's techniques

Thank you!

With the guidance of clear instructions and colour charts, for example, retro-spirited pineapple mittens and socks, happy racoon socks and sensitive angel-wing mittens are born! And who can live any more without the guffawing skull socks?

About the author

Lumi Karmitsa is the dark horse of the Finnish knitting scene, whose first book, published in 2016, surprised all. Her inventive patterns and encouraging instructions have activated an actual colourwork knitting mania.
